Organization Description:

The Belize Institute of Environmental Law and Policy (BELPO) was incorporated in 1995 by professionals in the fields of law, education, science, natural resource management, and grassroots organizing to address serious and growing environmental problems, to ensure better management of the environment and natural resources, and to safeguard public health now and for future generations. BELPO is a non-profit, non-governmental organization (NGO).

Organization Country: [Belize](#) [2]
