Protection
Officers.

(2) There shall be appointed such other public officers to be known as Wildlife Protection Officers as are necessary for the purposes of this Act. In the absence of any other appointment all Forest Officers are hereby appointed Wildlife Protection Officers. Every Wildlife Protection Officer shall perform such duties and possess such powers under this Act as may be assigned to him by the Chief Wildlife Protection Officer.

Duties of
Chief Wildlife
Protection
Officer.

4.—(1) The duties and powers of the Chief Wildlife Protection Officer shall be:—

- (a) To administer and enforce the provisions of this Act and the Rules thereunder ;
- (b) To carry out research or surveys for the protection, control or disposition of wildlife or wildlife products including the establishment of laboratories, zoos, and other related services ;
- (c) To gather, print and circulate information and reports pertaining to wildlife ;
- (d) To enter into contracts with individuals, agencies or companies for the construction of trails, roads, boundary marks, building hatcheries and other works for wildlife ;
- (e) To provide facilities for visitors to wildlife reserves, zoos and other related establishments ;
- (f) To engage in all other activities necessary for the purposes of this Act.

Wildlife
Protection
Officers to
have rights
and privileges
of Police
Constables.

5. For the purpose of carrying out the provisions of this Act, every Wildlife Protection Officer shall have the authority, privileges and protection of a police constable conferred or granted by any law in force in Saint Lucia.

PART II

WILDLIFE MANAGEMENT PROTECTION AND CONTROL

6. Wildlife, resident or migratory, indigenous or alien, found in Saint Lucia, except fish, frogs or crustaceans in private ponds, are the property of the Crown and may be taken or hunted only at such times, in such places and in such manner as is provided by this Act.

Wildlife property of Crown.

7. The Minister may:—

- (a) by Order declare any area of land or water or the territorial sea to be a wildlife reserve;
- (b) lease, exchange, buy or sell any property for use as a wildlife reserve.

Minister may declare wildlife reserve.

8. Wildlife is hereby divided into three categories, namely, protected wildlife as specified in the First Schedule, partially protected wildlife as specified in the Second Schedule and Unprotected Wildlife as specified in the Third Schedule.

Schedules Classification of wildlife.

9.—(1) The Minister may by statutory instrument:—

- (a) add to, vary or delete from any of the species of wildlife specified in any of the said Schedules;
- (b) make provision for the protection or control of any of the species of wildlife listed in any of the said Schedules;
- (c) declare a close season for any of the species of wildlife specified in the Second Schedule.

Power of Minister to vary Schedules: to provide for protection or control of wildlife: or to declare close season.

(2) The powers of the Minister under this section shall include the power by statutory instrument as aforesaid to declare, for any period not exceeding three years, a close season in respect of any or all of the species of wildlife specified in the Second Schedule.

PART III

LICENSES AND PERMITS

Power of
Minister to
issue licences
and permits for
certain
purposes.

10.—(1) The Minister may, on application made to him, issue licences for any of the following purposes, namely:—

- (a) to hunt or to take wildlife in a wildlife reserve ;
- (b) to import or export any wildlife into or from Saint Lucia ;
- (c) to keep any wildlife in captivity.

(2) A licence issued under the preceding subsection may contain such conditions as the Minister may think fit.

(3) The Minister may issue permits to any recognized scientific, cultural or educational organization to hunt or to take wildlife. Such permits may specify the wildlife to be hunted or taken, the person authorised to do so and any other condition which the Minister considers necessary or appropriate.

(4) Except by the authority of a licence or permit issued by the Minister under this section, it shall be an offence against this Act for any person to hunt or to take any wildlife in a wildlife reserve.

Validity and
duration of
licence.

11.—(1) A licence issued under section 10 (1) by this Act shall be valid only for the period during which it is issued and shall in any event expire on 31st December following the date of issue.

(2) Every such licence shall be valid only in respect of the person to whom it is issued and shall not be transferable.

(3) Every holder of such licence shall carry it with him when engaged in any activity authorised by it ; and he shall show such licence upon the request of any Wildlife Protection Officer.

12.—(1) The Minister may at any time in his discretion cancel any licence or permit issued under this part.

Fees for licences and permits ;
cancellation.

(2) Where any licence or permit has been lost, stolen or destroyed a duplicate may be issued by the Minister upon payment of the prescribed fee.

13. A licence or permit issued under the provisions of this Act shall not confer upon the holder thereof any right to enter upon any private lands or waters.

Licence does not confer rights to enter upon private property.

PART IV

(e) imports or exports any wildlife into or from Saint Lucia without first having obtained a licence ;

shall be guilty of an offence under this Act.

18.—(1) Subject to the provisions of this Act and of any other law, it shall be lawful to hunt or to take any species of wildlife specified in the Third Schedule ; but no such species of wildlife shall be kept in captivity without a licence issued by the Minister under section 10 (1) of this Act.

Licence to keep in captivity.

(2) Any person who keeps in captivity any species of wildlife listed in the Third Schedule without having obtained a licence shall be guilty of an offence under this Act.

19. Where protected wildlife is alleged to be causing damage to any crops, land or other private property, the owner or occupier thereof may report the same to the Minister who shall expeditiously take such action as may be considered necessary, including the granting of any licence, to kill any such wildlife.

Action to protect private property.

20.—(1) If any officer has reasonable grounds for suspecting that any person has contravened any of the provision of this Act he may :—

Powers of officers to search and seize.

- (a) stop and search any such person and any vehicle, boat or other conveyance in the possession of such person or in which such person happens to be, and open and search any baggage or other thing in his possession ;
- (b) enter and search any tent or land in the occupation of any such person ;
- (c) under the authority of a warrant issued by a Magistrate, enter and search any building in the occupation of any such person, and seize any protected or partially protected wildlife in the possession of any such person ;
- (d) seize all guns, dogs, boats, vehicles or other equipment which he may have cause reasonably to suspect to have been used by such person in connection with any such contravention.

(2) When any person is convicted of an offence against this Act, any protected or partially protected wildlife or the nest or eggs thereof or any gun, weapons dog, boat, vehicle or other article in respect of or by means of which the offence was committed shall be forfeited to the Crown. Such forfeiture may be in addition to any other penalty to which such person is liable under this Act.

Arrest of
person found
committing
an offence.

21.—(1) Where any person is found committing an offence against this Act, any officer may require any such person to give his name and place of abode ; and may arrest any such person if :—

- (a) such person refuses to give his name or place of abode to the satisfaction of the officer ; or
- (b) gives a name or place of abode which is false.

(2) Any person required as aforesaid to give his name or place of abode who refuses to do so or who gives a name or place of abode which is false shall be guilty of an offence against this Act.

22. Any person who assaults, hinders, obstructs or resists an officer in the execution of his duty under this Act shall be guilty of an offence.

Assault or
resisting
officer.

23.—(1) All complaints for offences against this Act shall be laid in the name of an officer.

Complaints to
be laid by an
officer but
may be
prosecuted by
another
officer or by
Police Officer.

(2) Where an officer makes a complaint against another person for an offence against this Act any other officer may appear on his behalf before the Court hearing the said complaint; and shall have the same privileges as to addressing the Court and as to examining witnesses as if he were the Complainant.

(3) Any Police Officer may conduct the prosecution of any complaint under this Act notwithstanding that such complaint was not laid by a member of the Police Force.

(4) In any proceedings before the Court the statement of an officer that the species in issue is one of the species of wildlife listed in any of the Schedules hereunder shall be *prima facie* evidence of that fact.

24.—(1) All offences committed against this Act shall be tried and punishable by a Court.

Jurisdiction.

(2) Where an offence against this Act is committed on the sea coast or at sea or within the territorial waters of Saint Lucia, it may be tried by a Court in any district abutting such sea coast or adjoining such sea.

(3) Where any offence against this Act is committed in or from any water forming the boundary between any two Courts it may be tried in either of such Courts.

Penalties.

25. Any person guilty of an offence against this Act shall be liable on summary conviction to a fine not exceeding five thousand dollars or to a term of imprisonment not exceeding twelve months.

Provisions to
make Statutory
Instruments.

26.—(1) The Minister may by statutory instrument:—

- (a) prescribe the scale of fees payable for licenses or permits issued under this Act;
- (b) make provision for the control and administration of any wildlife reserve;
- (c) make provision for the protection or control of any species of wildlife listed in any of the Schedules to this Act;
- (d) do all such other things as may be necessary for the fulfilment of the purposes of this Act

(2) A statutory instrument made under the provisions of the preceding subsection may provide for the imposition of a fine not exceeding two hundred and fifty dollars or imprisonment for three months for contravention of any of the provisions thereof on summary conviction therefor.

Powers of
Minister.

27.—(1) The Minister may, from time to time by writing under his hand, empower an officer:—

- (a) to accept from any person who has admitted in writing or in the presence of at least one witness not being an Officer that he has committed an offence against this Act, a sum of money not exceeding five hundred dollars by way of compensation for such offence;
- (b) when any property has been seized under this Act, to release the same on payment of the value thereof as estimated by such officer.
